

8-10-10

Directions for Use:

Apply this product to actively growing grasses and water into the applied area soon after application. Avoid mowing immediately following application to prevent pickup. Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden/landscape, and sweep any product that lands on the driveway, sidewalk, or street back into your desired area.

Florida Applications:

For use on golf courses or other athletic turf, we recommend you follow SL191, Recommendations for N,P,K,Mg for Golf Course and Athletic Field Fertilization Based on Mehlich III Extractant, available on the internet at <http://edis.ifas.ufl.edu/SS404>. For commercial application to urban turf or lawns in FL, we recommend you follow the Best Management Practices for Protection of Water Resources in Florida, June 2002, Florida Green Industries, available on the internet at: <http://www.dep.state.fl.us/central/Home/MeetingsTraining>.
